

**Decree n° 2010-19 dated 5 January 2010, approving a partnership convention through direct negotiation, concluded within the framework of digital economy, for the establishment of a solution of geo localization at distance of the transport fleet through GPS.**

The President of the Republic,

On a proposal from the Minister of Transport,

Having regard to orientation law n° 2007-13 dated 19 February 2007, relating to the establishment of digital economy and notably articles 4 and 5,

Having regard to decree n° 2007-1274 dated 21 May 2007, fixing the list of activities linked to the digital economy,

Having regard to decree n° 2007-1290 dated 28 May 2007, fixing the rules and procedures to conclude the partnership conventions in the field of digital economy, as amended and completed by decree n° 2009-2019 dated 23 June 2009,

Having regard to the opinion of the Minister of Communication Technologies,

Having regard to the opinion of the Administrative Court.

Decreases the following :

Article one - Shall be approved the partnership convention through direct negotiation, concluded within the framework of digital economy annexed to the decree herein, between the national company of interurban transport on its behalf and as a representative of the regional companies of passengers' transport on one hand and the national company of telecommunications on the other hand, for the establishment of a solution of geo localization at distance of the transport fleet through GPS.

Art. 2 - The Minister of Transport and the Minister of Communication Technologies, each in his respective capacity, shall implement the decree herein which shall be published in the Official Gazette of the Republic of Tunisia.

Tunis, 5 January 2010.
