

Law n° 2017-40 dated 15 May 2017, reducing the tax due on waste and scrap of iron at the export and cyclical export transactions until the end of 2017 ⁽¹⁾.

In the name of the people,

The Assembly of the People's Representatives having adopted,

The President of the Republic shall enact the following law:

First article - Shall be reduced to 90 dinars per ton, the amount of the tax due on waste and scrap of iron at the export under number 72.04 of the customs duties tariff excluding the waste and scrap of stainless steel falling under tariff headings 72042110008 and 72042190000.

Art. 2 - Collectors are authorized to export iron waste and scrap, mentioned in article 1 of the law herein, until the end of 2017, within the limit of 75 thousand tons for the steel Tunisian company.

Art. 3 - The Ministry in charge with Industry is bound to supervise the export transactions provided for by article 2 of the law herein in coordinating with the interveners.

The law herein shall be published in the Official Gazette of the Republic of Tunisia and enforced as law of the State.

Tunis, 15 May 2017.

The President of the Republic

Mohamed Béji Caïd Essebsi
